Education

MIT Academy of Engineering, Pune

Bachelor of Technology in Computer Engineering (8.41 CGPA)

August 2023 – 2027

Pune, Maharashtra, India

Experience

Campus Credentials

Jun 2025 – Jul 2025

Full Stack Developer Intern

- Built real-time video calling and collaborative whiteboard features using **WebRTC** and **WebSockets**.
- Developed backend REST APIs in **Spring Boot** + **PostgreSQL** with payments via **RazorPay**.
- Optimized database queries and connection pooling, reducing average API response time by **~30%**.

Google Developer Group (GDG) MIT AoE

Oct 2024 – Present

Technical Team Leader

- Led technical projects, mentored members, and managed cross-team coordination for GDG MITAOE.
- Designed **10+ programming problems** for contests with **300+ participants** on HackerRank.

Projects

NerdsOnCall | *Spring Boot, Java, Next.js, TypeScript, PostgreSQL, WebRTC, Socket.IO, Tailwind CSS*

- Doubt-solving platform connecting students and tutors via video calls and whiteboards.
- Includes JWT auth, real-time session tracking, subscription billing, and RazorPay payments.
- Live: nerds-on-call.vercel.app, GitHub: [nerds-on-call](#).

Origami-CF | *Next.js 15, TypeScript, MongoDB, Codeforces API, JWT, bcryptjs, React 19, SWR, Recharts*

- Competitive programming platform for virtual Codeforces contests and upsolving management.
- Features ELO predictions, live submission tracking, and Gained **150+ active users** since launch.
- Live: origami-cf.vercel.app, GitHub: [origami-cf](#).

Technical Skills

Languages: C++, C, Java, JavaScript, TypeScript, Python

Frameworks: Spring Boot, Next.js, React.js, Node.js, Express.js

Databases: PostgreSQL, MongoDB, MySQL

DevOps & Tools: AWS, Git, Docker, Kubernetes, Jenkins, Terraform, Ansible

Achievements

Codeforces Specialist: Max Rating **1450** — Rank **725** in **Codeforces Round 1076 (Div. 3)**.

LeetCode Knight: Max Rating **1855** — Rank **576** globally in **Weekly Contest 478**.

CodeChef 3-Star: Max Rating **1736** — Rank **81** in **CodeChef Starters 174-C**.

IICPC CodeFest: **AIR 885** in IICPC Prelims, demonstrating strong competitive programming skills.

Coding Contests: **1st Prize** at **TechSprint** organized by GDG MIT AoE on HackerRank;

1st Prize at **CodeSprint & Pair Programming** organized by CodeChef MIT AoE.

Hackathons: **1st Prize** at GDSC Nirmaan 2.0 for building a conversational chatbot using **DialogFlow**;

2nd Prize at GirlScript Datathon for developing an **energy prediction ML model**.
